

Mitchell's Plain Music Academy is a Non-Profit Organisation that was established in 2014 and has been providing affordable yet high quality and professional tuition ever since.

Our programme accommodates beginners, intermediate and advanced musicians from the age of 5 up to any age, our current eldest student is 75. The music programme culminates; Practical Music Studies, Theory of Music, Aural, Performance skills and etiquette, Ensemble training, Music business and more. We have qualified and experienced instructors, who are not only brilliant teachers but also professional musicians and artists to coach our students and take them to the next level.

At the beginning of the year, we served nearly 200 students, but currently, we have 120 students as a result of covid-19. Our music programme serves the community of Mitchell's Plain and Kraaifontein but attracts students from Khayelitsha, Tokai, Heideveld, Hanover Park, Mitchells Plain, Delft, Kraaifontein, to name a few. The academy is not just about lessons, but it serves as a safe space and an outlet from the dire situations they face daily.

Our Mitchell's Plain branch operated from Woodville Primary School in Woodlands, Mitchells Plain for the past 6 years and our Kraaifontein branch from a church hall in Scottsville, Kraaifontein, but we are unfortunately not allowed back onto the school premises for the rest of the year as per the 'New Standard Operating Procedures' released by the education department. Our lessons are therefore continuing online as it did the past seven months, but, not every student has access to wifi, a smartphone, laptop or the likes which leaves a lot of the youth and young adults prey to gangsterism and violence in the areas. The school is what keeps them off the street and away from gangsterism.

We are therefore looking at alternative ways to raise funds to sponsor students who show potential but aren't by means to afford it. Our own building and transportation to continue the academy's work is two of our biggest needs.
